What is SelectUSA?
SelectUSA is the U.S. government program that showcases the United States as the world's premier business location and provides easy access to federal-level programs and services related to business investment.

How do we help?
We work with companies and U.S. economic development organizations to provide information, facilitate direct connections, and resolve questions regarding federal regulations. SelectUSA complements the activities of our states and provides a promotional platform for U.S. state and local governments.
