

**Barbara Keating**

*President, Computer Frontiers Inc.*

Barbara Keating has 30 years of experience as a business management and information technology expert skilled in the design, implementation and management of large system implementation, electronic networks and information services and call center services. In 1996 Ms. Keating incorporated Computer Frontiers, Inc. As President of Computer Frontiers, Inc., Ms. Keating directs the company's business development and international Executive level activities, in support of the multiple ventures the company has across Africa. Ms. Keating has worked and traveled in 42 African countries, and is considered an “African Expert.”

Over the past 20 years, Ms. Keating has worked with African governments on Internet policy reforms, and implementing Internet related projects for the U.S. Agency for International Development (USAID), and developing 12 companies located in Uganda, Ghana, Rwanda, Cape Verde, Democratic Republic of Congo, Guinea, Kenya, Senegal, South Sudan, Togo, Zimbabwe, and South Africa. She is currently implementing several projects that integrate information technology services into information systems for governments in Lesotho, Swaziland, Nigeria and Uganda. She is also involved with getting Internet technologies into health and education programs at all levels in several African countries. Ms. Keating is fluent in West African Krio and proficient in French.
