

**Adam Medros**

*Senior Vice President for Global Product  
TripAdvisor*

Adam Medros heads worldwide product development for TripAdvisor. Since joining TripAdvisor in 2004, Mr. Medros has overseen improvements to core functionality, content operations, international expansion, and development of a wide variety of travel planning features including the TripAdvisor and City Guide mobile apps on iOS and Android, the “Trip Friends” social features, and Facebook Instant Personalization on TripAdvisor.

Prior to joining TripAdvisor, Mr. Medros held Senior Analyst and Product Manager positions at Nordstrom.com, Amazon.com, and The Parthenon Group.

He serves on the Board of Directors of Wordstream and the Massachusetts Innovation & Technology Exchange (MITX) and was previously a board member of Oneforty.com and an advisor to Care.com.

Mr. Medros holds an MBA from Harvard Business School and a bachelor’s degree from Dartmouth College.
