 - (b) in Section A, pursuant to Article 13.9 (Non-Conforming Measures), the existing measures of Australia that do not conform with some or all of the obligations imposed by:

2. Each entry in Annex A sets out the following elements:

 - (d) **Source of Measure** identifies the laws, regulations, or other measures that are the source of the non-conforming measure for which the entry is made. A measure cited in the Source of Measure element:
 - (i) means the measure as amended, continued, or renewed as of the date of entry into force of this Agreement, and

- (ii) includes any subordinate measure adopted or maintained thereunder; and
 - (e) **Description** sets out the non-conforming aspects of the measure for which the entry is made.

- 6. Where Australia maintains a measure that requires that a service supplier be a citizen, permanent resident or resident of its territory as a condition to the provision of a service in its territory, a listing for that measure taken in Annex III with respect to Articles 13.2, 13.3, 13.4, or 13.5 shall operate as a non-conforming measure with respect to Articles 11.3 (National Treatment), 11.4 (Most-Favoured-Nation Treatment) and 11.9 (Performance Requirements), to the extent of that measure.

Headnotes

1. Commitments under this Chapter are undertaken subject to the limitations and conditions set forth in these headnotes and the Schedule below.
2. To clarify Australia's commitment with respect to Article 13.4 of the Agreement (Market Access for Financial Institutions), juridical persons supplying financial services and constituted under the laws of Australia are subject to nondiscriminatory limitations on juridical form.¹
3. Australia limits its commitment under Article 13.9.1(c) (Non-Conforming Measures) with respect to Article 13.4 (Market Access for Financial Institutions) in the following manner: Article 13.9.1(c) shall apply only to measures concerning banking and other financial services (excluding insurance) which do not conform with Article 13.4(a).

¹ For example, partnerships and sole proprietorships are generally not acceptable juridical forms for authorised depository institutions in Australia. This headnote is not itself intended to affect, or otherwise limit, a choice by a financial institution of the other Party between branches or subsidiaries.
