Subject: Request to modify the rules of origin for certain apparel articles under the Morocco-United States Free Trade Agreement.

Dear Ms. LABAT,

On behalf of MODALINE HOLDING, located in Morocco, I hereby submit this request regarding the amendment of the rules of origin applicable for certain apparel articles, to allow the use of certain third country fabrics not commercially available in the countries of Morocco and the United States, in accordance with the provisions of Article 4.3 of our Free Trade Agreement.

MODALINE HOLDING is a garment manufacturer specialized in smart wear products. The company is one of Talbots' biggest suppliers worldwide making no less than U.S. \$9.5 million turnover per year with this brand. Talbots' nominated third country fabric mills are based in Europe and Asia.

For the past 7 years, MODALINE HOLDING was producing for many other American brands such as Express, Chico's, White House Black Market and Banana Republic and was providing them all with high quality performance. The company exports more than 70% of its production to the United States. However, the expiry of the TPL provision has negatively affected its business and has caused loss of orders from American buyers.

MODALINE HOLDING's fabric concerned by the rule of origin change under the Morocco-USFTA is the one below. This fabric is not available in Morocco or the United States.

No	Item description	HTS	End use
1	83-94% wool, 4-15% Nylon, 1-7% Spandex woven fabric of headings 5112.19 and 5112.20	5112.19, 5112.20	- Pant with HTS code as 6204618010 - Skirt with HTS code as 6204510010 - Jacket with HTS code as 6204312010

We would appreciate the attention of your good offices to consider this request at an early opportunity and believe that by working cooperatively we can accelerate the process to ensure mutual benefit for both Moroccan and American companies.

Sincerely yours,
