ARTICLE 21.2: ESSENTIAL SECURITY

Nothing in this Agreement shall be construed:

- (a) to require a Party to furnish or allow access to any information the disclosure of which it determines to be contrary to its essential security interests; or
- (b) to preclude a Party from applying measures that it considers necessary for the fulfillment of its obligations with respect to the maintenance or restoration of international peace or security or the protection of its own essential security interests.

ARTICLE 21.3: TAXATION

1. Except as set out in this Article, nothing in this Agreement shall apply to taxation measures.
2.
 - (a) Nothing in this Agreement shall affect the rights and obligations of either Party under any tax convention. In the event of any inconsistency between this Agreement and any such convention, that convention shall prevail to the extent of the inconsistency.
 - (b) In the case of a tax convention between the Parties, the competent authorities under that convention shall have sole responsibility for determining whether any inconsistency exists between this Agreement and that convention.
3. Notwithstanding paragraph 2:
 - (a) Article 2.2 (National Treatment and Market Access for Goods – National Treatment) and such other provisions of this Agreement as are necessary to give effect to that Article shall apply to taxation measures to the same extent as does Article III of GATT 1994; and

- (b) Article 2.10 (National Treatment and Market Access for Goods – Export Taxes) shall apply to taxation measures.

4. Subject to paragraph 2:

- (a) Article 11.2 (Cross-Border Trade in Services – National Treatment), Article 12.2 (Financial Services – National Treatment), and Article 12.5 (Financial Services – Cross-Border Trade) shall apply to taxation measures on income, capital gains, or on the taxable capital of corporations that relate to the purchase or consumption of particular services, except that nothing in this subparagraph shall prevent a Party from conditioning the receipt or continued receipt of an advantage relating to the purchase or consumption of particular services on requirements to provide the service in its territory; and

except that nothing in those Articles shall apply:

- (c) any most-favored-nation obligation in this Agreement with respect to an advantage accorded by a Party pursuant to a tax convention;
- (d) to a non-conforming provision of any existing taxation measure;
- (e) to the continuation or prompt renewal of a non-conforming provision of any existing taxation measure;
- (f) to an amendment to a non-conforming provision of any existing taxation measure to the extent that the amendment does not decrease its conformity, at the time of the amendment, with any of those Articles;
- (g) to the adoption or enforcement of any taxation measure aimed at ensuring the equitable or effective imposition or collection of taxes (as permitted by Article XIV(d) of GATS; or
- (h) to a provision that conditions the receipt, or continued receipt, of an advantage relating to the contributions to, or income of, a pension trust, fund, or other arrangement to provide pension or similar benefits on a requirement that the Party maintain continuous jurisdiction, regulation, or supervision over such trust, fund, or other arrangement.

- (b) Article 10.6 (Investment – Expropriation and Compensation) shall apply to taxation measures. However, no investor may invoke Article 10.6 (Investment – Expropriation and Compensation) as the basis for a claim

where it has been determined pursuant to this subparagraph that the measure is not an expropriation. An investor that seeks to invoke Article 10.6 (Investment – Expropriation and Compensation) with respect to a taxation measure must first refer to the competent authorities, at the time that it gives its notice of intent under Article 10.15.4 (Investment – Submission of a Claim to Arbitration), the issue of whether that taxation measure is not an expropriation. If the competent authorities do not agree to consider the issue or, having agreed to consider it, fail to agree that the measure is not an expropriation within a period of 180 days of such referral, the investor may submit its claim to arbitration under Article 10.15 (Investment – Submission of a Claim to Arbitration).
